LUCCA 2023

JUNE 12 - 16

REAL COLLEGIO - ITALY

KEY DATES

CALL FOR ABSTRACTS

June 27, 2022

ABSTRACT SUBMISSION DEADLINE

November 14, 2022

NOTIFICATION OF ACCEPTANCE

January 13, 2023

REGISTRATION OPENING

January 16, 2023

SPONSORSHIP & EXHIBITION OPPORTUNITIES

The 8th International Conference on

Advancements in Nuclear Instrumentation Measurement Methods and their Applications

APPLICATION FIELDS

- Fundamental Physics
- Space Sciences and Technology
- Fusion Diagnostics and Technology
- Research Reactors and Particle Accelerators
- Nuclear Power Reactors and Nuclear Fuel Cycle
- Nuclear Safeguards, Homeland Security and CBRN
- Decommissioning, Dismantling and Remote Handling
- Severe Accident Monitoring
- Environmental and Medical Sciences
- Current Trends in Development of Radiation Detectors
- Education, Training and Outreach

COMMITTEE CHAIRS

GENERAL AND PROGRAM COMMITTEE CHAIR AND CO-CHAIR

Abdallah Lyoussi

DEAR DELEGATES AND INDUSTRIAL REPRESENTATIVES

It is a great honour to invite you to participate as a sponsor and/or exhibitor to the 8th International Conference on Advancements in Nuclear Instrumentation Measurement Methods and their Applications, ANIMMA 2023.

ANIMMA 2023 will be the eighth in a series of conferences dedicated to supporting and promoting scientific and technical activities based on nuclear instrumentation and measurements, and their fields of application such as fundamental physics, space technologies, Nuclear energy, nuclear medicine, medical and environmental sciences.

The Conference foresees the participation of 400 participants from more than 30 nationalities and will be held at the Real Collegio in Lucca from the 12th to the 16th of June 2023.

For the first time, ANIMMA is associated with the “ANIMMA International Summer School” AISS for graduate students and young researchers and engineers as well to be held from June 10 to 12 at the “Department of Civil and Industrial Engineering” DICI of the University of Pisa.

Currently we are able to offer fifteen 2x3 booths located close to the permanent poster sessions and coffee break areas enhancing traffic flow through the exhibit area and interactions with attendees.

A limited number of double booth reservations will be accepted. Details can be found on pages below.

Several Italian Institutions have already expressed interest in participating.

We invite you to do not miss this unique opportunity to present your products and services and to network with the ANIMMA scientific community. Your active participation is crucial for the success of this conference and we thank you for your continued support through your attendance.

We look forward to welcoming you in Lucca.

Abdallah Lyoussi
General Chair and Program Committee Chair
Commissariat à l'énergie atomique et aux énergies alternatives
CEA Cadarache, France

Francesco d'Errico
Steering Committee Chair
Department of Civil and Industrial Engineering of the University of Pisa

Massimo Morichi
Steering Committee Chair
CAEN S.p.A., Viareggio (LU)

ANIMMA 2023 IN A NUTSHELL

PROGRAM

	Mon June 12	Tue June 13	Wed June 14	Thu June 15	Fri June 16
SESSIONS	none	full day	full day	full day	morning
EXHIBITION	morning installation	full day	full day	full day	afternoon dismantling
SOCIAL EVENT	welcome reception	poster session & aperitivo	poster session & aperitivo	gala dinner & awards	none

WEBSITE www.animma.com

the official website is being regularly updated and contains all the important information

SCIENTIFIC APPLICATION FIELDS - Instrumentation and Measurement in:

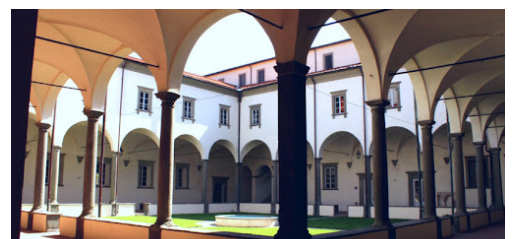

- Fundamental physics
- Space sciences and technology
- Fusion diagnostics and technology
- Research reactors and particle accelerators
- Nuclear power reactors and nuclear fuel cycle
- nuclear safeguards, homeland security and cbrn
- Decommissioning, dismantling and remote handling
- Severe accident monitoring
- Environmental and medical sciences
- Current trends in development of radiation detectors
- Education, training and outreach

LOCATION - REAL COLLEGIO IN LUCCA

"a journey through time. a journey into art, a journey into flavors in other words a journey towards EDEN"

Lucca is a city on the Serchio river in Italy's Tuscany region. It's known for the well-preserved Renaissance walls encircling its historic city center and its cobblestone streets. Broad, tree-lined pathways along the tops of these massive 16th- and 17th-century ramparts are popular for strolling and cycling. Casa di Puccini, where the great opera composer was born, is now a house museum.

The Real Collegio boasts a history of over two hundred years and is based in what had been the ancient convent of the basilica of S. Frediano, whose origins date back to the sixth century. It is located in the historic center, and it is considered one of the largest and most prestigious monumental complexes in the city, thanks to its strategic location and its considerable size: a large entrance and a well-equipped reception, two historic cloisters, a hall for conferences and concerts, a series of spacious corridors and rooms for exhibitions and various kinds of initiatives.

SPONSORS AND EXHIBITORS

WHO EXHIBITS AND SPONSORS

Companies, industrial as well as researchers and universities have the opportunity to present and promote their products, offers or services in the scientific fields of nuclear instrumentation and measurements, and their fields of application such as fundamental physics, space technologies, nuclear medicine, medical and environmental sciences.

WHY SHOULD YOU EXHIBIT AND SPONSOR?

Use the conference as a platform to engage new customers and to raise awareness of your brand in the marketplace.

Your organization's presence at the conference is an opportunity to leverage several days of unparalleled access to a wide potential client base, to inform them about your products and services and build long-term relationships. Exhibitors will be also promoted as sponsors.

Sponsorship is a proven strategy for marketing your brand: it combines the reach of magazine advertising with the power of direct mail and persuasion of face-to-face meeting.

The sponsors will be listed in all publications related to the conference (on-line program, conference guidelines, printed material at the conference, proceedings, website <http://www.animma.com>).

There are several levels of sponsorship. Platinum, gold and silver sponsorship includes an exhibition booth as well.

Please contact us via conference@animma.com.

KEYDATES

Exhibitor Registration Opening:	January 20, 2023
Exhibitor Registration Deadline:	May 12, 2023
Conference Registration Opening:	January 20, 2023
Exhibition Set Up:	June 11, 2023
Exhibition Dismantling and Removal:	June 16, 2023

PREVIOUS EDITION SPONSORS AND EXHIBITORS

EXHIBITION OPTIONS

EXHIBITION BOOTH

Each booth space includes:

- 2x3mt / 2.5 m high walls (Aluminum frame with wood infill panels)
- Identification sign
- Desk with two chairs
- Carpeted floor (“Beige”, “Blu Volturno” or “Rosso Cardinale”)
- Energy-efficient track lights per 6sqm booth
- Electric power and outlet (1 kW at 220 V 50 Hz)
- Waste paper basket

STANDARD SHELL SCHEME BOOTH

3,000.00 EUR + VAT

Additional item upon request

Equipped panel with shelves	300 EUR
Glass exhibitor	200 EUR
Armchair	60 EUR
Coffee Table 80 x 80 cm	60 EUR
Desk 120 x 80 cm with drawers	150 EUR
Wood cabinet with keys	100 EUR
TV Led 42”	600 EUR

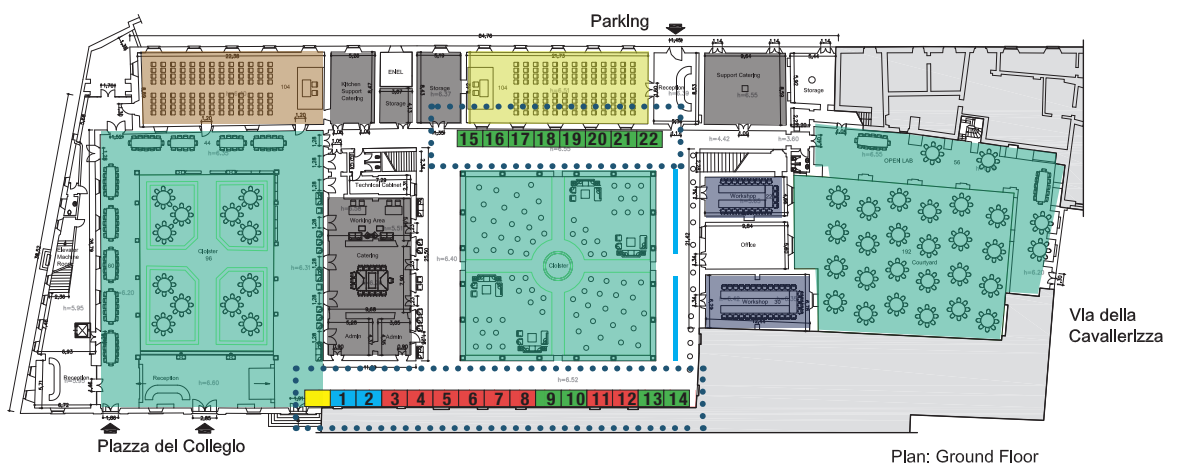

Other personalization available on request

Each booth space comes with 1 full conference registration.

Additional items for your booth can be booked via email:

conference@anima.com

Prices are excluding VAT

SPONSORSHIP ITEMS

SPONSORSHIP

Sponsors will have the unique opportunities to increase your brand exposure to an audience specialized in nuclear physics from around the world, meeting potential customers. Sponsor' contribution is recognized as a valuable enhancement of the conference.

CONFERENCE BREAKS AND SOCIAL EVENTS

Single Coffee Break	1,000.00 EUR
Single Lunch Break	2,500.00 EUR
Welcoming Reception Aperitivo	1,000.00 EUR
Single Italian Aperitivo	1,500.00 EUR
Gala Dinner	5,000.00 EUR

CONFERENCE MATERIALS

Logo on Conference Bags	1,500.00 EUR
Logo on Conference Notebook	1,000.00 EUR
Advertisement in the Conference Guide, full page	800.00 EUR
Advertisement in the Conference Guide, half page	500.00 EUR

AISS

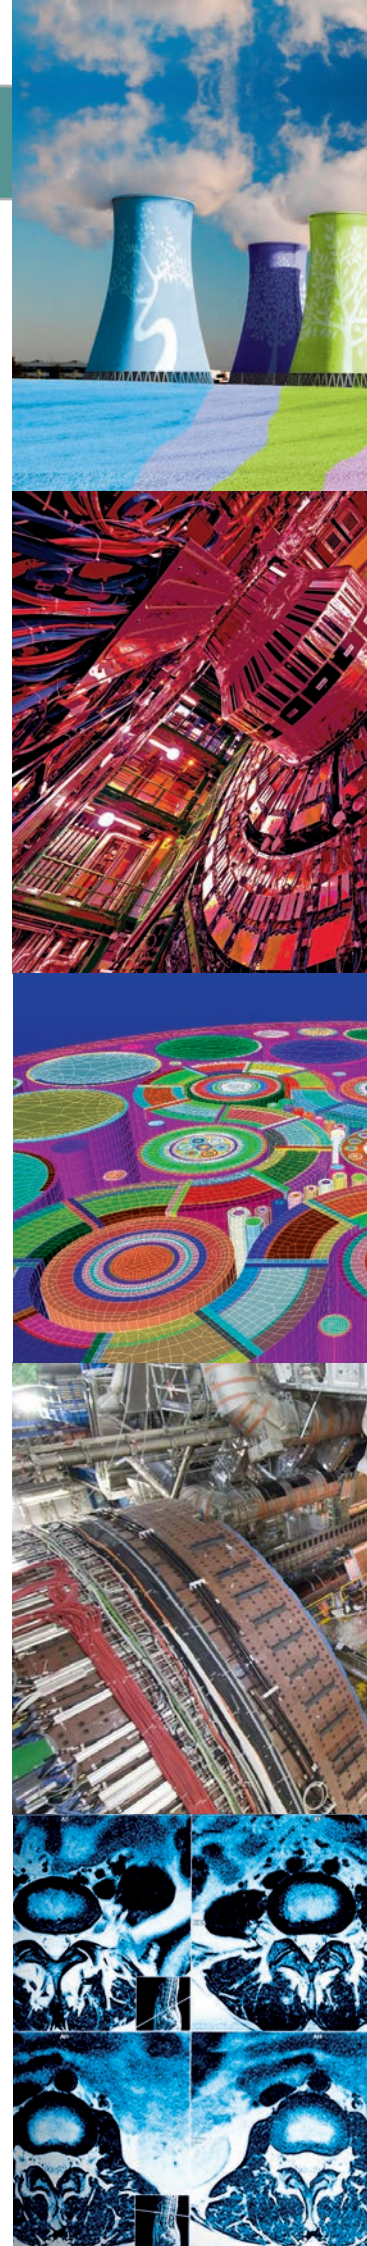

Lunch	500.00 EUR
Award	300.00 EUR

Prices are excluding VAT

There are several levels of sponsorship. Platinum, gold and silver sponsorship includes an exhibition booth as well.

Package Type		Price
Platinum 	1 booth, 3 registrations, 1 big logo on the website, logo on bag, 1 full page, 1 lunch break, 1 coffee break, 1 Italian aperitivo	10,000.00 EUR
Gold 	1 booth, 2 registrations, 1 medium logo on the website, 1 logo on notebook, 1 half page, 1 coffee break, 1 welcoming reception drink	8,000.00 EUR
Silver 	1 booth, 1 registration, 1 small logo on the website, 1 logo on notebook	4,000.00 EUR

A tailored sponsorship package is a cost-effective opportunity to reach a large number of delegates within your target market.

SPONSORSHIP AND EXHIBITOR ORDER FORM

BENEFITS

- Company listed and logo published on the official website and in printed materials
- Booths adjacent to catering stations
- Company profile video displayed during breaks
- Acknowledgment during opening and closing ceremonies
- Company advertised and promoted during coffee, lunch breaks and social events.

KEY BENEFITS TO EARLY COMMITMENT

Aligning your company early will ensure maximum exposure and the opportunity to choose the most convenient exhibition location and desired sponsorship options.

ANIMMA 2023 APPLICATION FORM FOR EXHIBITOR AND/OR SPONSOR

Please fill in and sign this application form and send it to the ANIMMA 2023 Conference Secretary: animma2023@agence-vert.com

The company VERT COM, mandated by the Animma 2023 Organization, will send you an invoice.

Many thanks in advance.

The application depends on availability of the requested space/sponsorship!
