## DEAR DELEGATES AND INDUSTRIAL REPRESENTATIVES,

It is a great honour to invite you to participate as a sponsor and/or exhibitor to the 9th International Conference on Advancements in Nuclear Instrumentation Measurement Methods and their Applications, ANIMMA 2025.

ANIMMA 2025 will be the ninth in a series of conferences dedicated to supporting and promoting scientific and technical activities based on nuclear instrumentation and measurements, and their fields of application such as fundamental physics, space technologies, nuclear energy, nuclear medicine, medical and environmental sciences.

The Conference foresees the participation of 400 participants from more than 30 nationalities and will be held at the Hotel Melia in Valencia, Spain from the 9th to the 13th of June 2025.

ANIMMA will be associated with the “ANIMMA International Summer School” AISS for graduate students and young researchers and engineers as well to be held from June 07 to 09 at the “Instituto de Fisica Corpuscular (CSIC-UV).

Currently we are able to offer nineteen 2x3mt booths and four 2x2mt booths located close to the permanent poster sessions and coffee break areas enhancing traffic flow through the exhibit area and interactions with attendees.

A limited number of double booth reservations will be accepted. Details can be found on pages below.

Several Spanish Institutions have already expressed interest in participating.

We invite you to not miss this unique opportunity to present your products and services and to network with the ANIMMA scientific community. Your active participation is crucial for the success of this conference and we thank you for your continued support through your attendance.

## LOCATION - HOTEL MELIA, VALENCIA

**Valencia** is the third-most populated municipality in Spain. It is located in eastern Spain, on the banks of the Turia, on the east coast of the Iberian Peninsula on the Mediterranean Sea. The Latin name of the city was Valentia meaning “strength” or “valour”, due to the Roman practice of recognising the valour of former Roman soldiers after a war. Due to its long history, Valencia has numerous celebrations and traditions.

Valencia is all light and modernity: the Hotel Melia offers an unbeatable location in one of the most dynamic areas of the city. The hotel provides 303 spacious, bright and renovated rooms, all of them outward facing and elegantly styled. Amongst its magnificent facilities, the Meliá Valencia hotel has a spectacular wellness centre, spa and gym. The hotel also has 19 fully-equipped meeting and event rooms.
