DEAR DELEGATES AND INDUSTRIAL REPRESENTATIVES

It is a great honour to invite you to participate as a sponsor and/or exhibitor to the 10th International Conference on Advancements in Nuclear Instrumentation Measurement Methods and their Applications, ANIMMA 2027.

ANIMMA 2027 will be the tenth in a series of conferences devoted to endorsing and promoting scientific and technical activities based on nuclear instrumentation and measurements, and their fields of application such as fundamental physics, space technologies, nuclear energy, nuclear medicine, medical and environmental sciences.

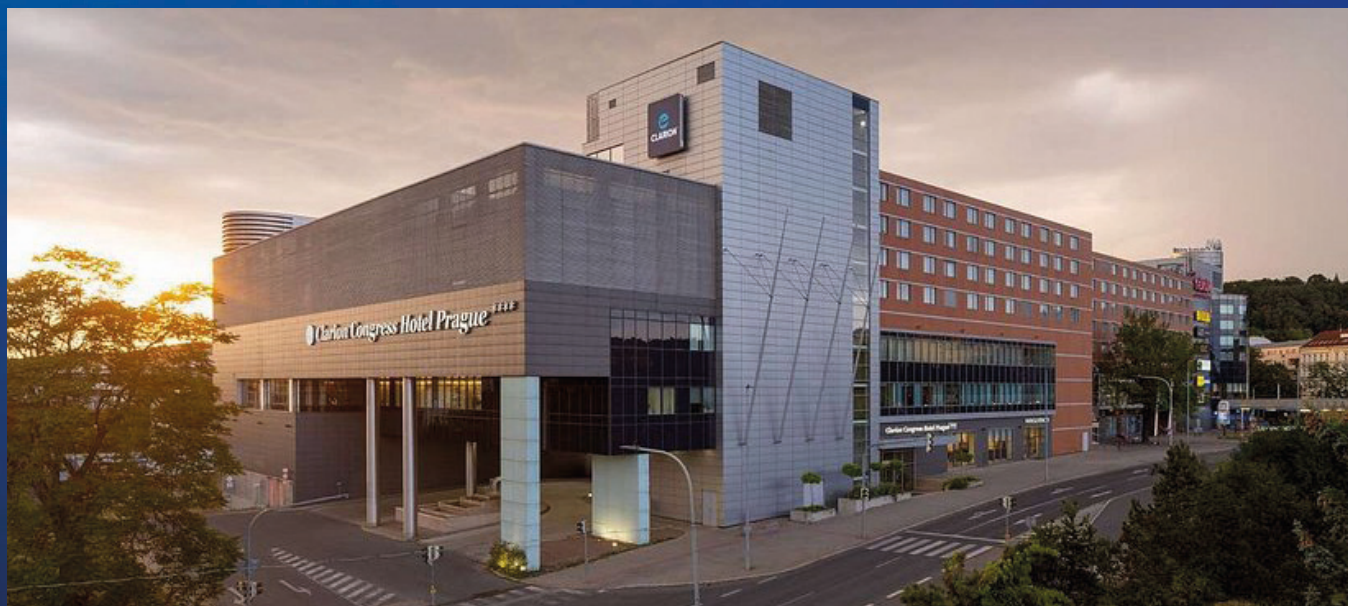

The Conference foresees the participation of 400 participants from more than 30 nationalities and will be held at the Clarion Congress Hotel in Prague, Czech Republic from the 14th to the 18th of June 2027.

ANIMMA will be associated with the “ANIMMA International Summer School” AISS for graduate students, young researchers and engineers, which will be held from the 12th to the 14th of June 2027 at the “Institute of Experimental and Applied Physics Czech Technical University in Prague” (IEAP CTU).

We are currently able to offer four 2x4mt, twenty 2x3mt and four 2x2mt booths, all strategically located in close proximity to the permanent poster sessions and coffee-break areas. This layout is designed to maximize attendee traffic throughout the exhibition area and encourage meaningful interaction between exhibitors and conference participants. In addition, two double 6m² booths will be available.

We invite you not to miss this unique opportunity to present your products and services and to network with the ANIMMA scientific community. Your active participation is crucial for the success of this conference and we thank you very much for your continued support and participation.

We look forward to welcoming you in Prague.

SPONSORSHIP AND EXHIBITION

WHO EXHIBITS AND SPONSORS?

Companies, industrial organizations, researchers and universities have the opportunity to present and promote their products, offers or services in the scientific fields of nuclear instrumentation and measurements, and their fields of application such as fundamental physics, space technologies, nuclear medicine, medical and environmental sciences.

WHY SHOULD YOU EXHIBIT AND SPONSOR?

Use the conference as a platform to engage new customers and to raise awareness of your brand in the marketplace.

Your organization's presence at the conference is an opportunity to leverage several days of unparalleled access to a wide potential client base, to inform them about your products and services and build long-term relationships.

Exhibitors will be also promoted as sponsors.

Sponsorship is a proven strategy for marketing your brand: it combines the reach of magazine advertising with the power of direct mail and persuasion of face-to-face meetings.

The sponsors will be listed in all publications related to the conference (on-line program, conference guidelines, printed material at the conference, proceedings, website <http://www.animma.com>).

There are several levels of sponsorship. Platinum, Gold and Silver sponsorship packages include an exhibition booth as well.

1. ASSIGNMENT OF SPACE

Booth assignments will be made in the order in which applications are received by email.

ANIMMA will continue to receive applications and assign exhibit space, as it remains available, until shortly before the exhibition opening date. In all cases, total booth payment must be received prior to exhibition opening. The ANIMMA booth assignment is final and shall constitute an acceptance of the Exhibitor's offer to occupy space.

After assignment, space location may not be changed, transferred or cancelled by the Exhibitor except upon written request and with the subsequent written approval by ANIMMA. ANIMMA Organizing Committee reserves the right to reassign Exhibitor space or to modify floor plan for the overall benefit of the exhibition.

2. SUBLETTING SPACE

No exhibitor will assign, sublet, or apportion the whole or any part of the space allotted to him, nor exhibit therein, nor permit any other person or party to exhibit therein, any other goods, apparatus, etc. not manufactured or distributed by the Exhibitor in the regular course of his business except upon prior written consent of the ANIMMA Organizing Committee.

3. PAYMENT REQUIREMENTS AND CANCELLATION CHARGE

Applications require a 50% deposit before final booth assignment is confirmed in writing. All applicants contracting after January 1, 2027, must pay the full amount by March 1, 2027. All applications received after 1 March 2027 must be accompanied by full payment. All cancellations must be made in writing and will be based on the following schedule of refunds: Space reductions are considered cancellations and may be subject to cancellation fees. It is understood that ANIMMA reserves the right, at its option, to reassign a cancelled booth regardless of the cancellation rate assessed. In the event that the premise in which the ANIMMA Organizing Committee Exhibition is conducted shall become, in the sole discretion of ANIMMA Organizing Committee, unfit for occupancy, or substantially interfered with by reason of any cause or causes not reasonably within the control ANIMMA Organizing Committee, this agreement may be terminated by ANIMMA Organizing Committee. For this purpose, the term "cause or causes" shall include, but not by way of limitation, fire, flood, epidemic, earthquake, explosion or accident, blockage, embargo, inclement weather, governmental restraints, restraints or orders of civil defense, or military authorities, act of public enemy, riot or civil disturbance, strike, lockout, boycott or other labor disturbance, inability to secure sufficient labor, technical, or other inability to obtain, or condemnation, requisition or commandeering of necessary supplies or equipment, local, state or federal law, ordinance, rule, order, decree or regulation, whether legislative, executive, or judicial, and whether constitutional, or act of God. 4. SET UP AND DISMANTLING OF THE EXHIBITION STAND

A representative shall man the exhibit space during the entire time the Exposition is officially open. The exhibition space must be kept clean and tidy throughout the duration of the Exhibition. Once your reservation is confirmed, you will be given a schedule for the set-up and dismantling of your booth and materials to be exhibited. Failure to comply with this rule, including early dismantling, will result in a fine of €500 and may jeopardize the exhibitor's space allocation or his right to exhibit at future conferences sponsored by the ANIMMA Organizing Committee.

5. LOSS OR DAMAGE

Exhibitor agrees that ANIMMA Organizing Committee shall not be liable for any damage or liability of any kind or for any loss, damage or injury to persons or property during the term of this agreement, from any cause whatsoever by reason of use, occupation and enjoyment of exhibit space by Exhibitor or any person thereon with the consent of Exhibitor, and that Exhibitor will defend, indemnify and save harmless, ANIMMA Organizing Committee from all liability whatsoever, on account of any such damage, or injury, whether or not caused by negligence or breach of

The Participant also undertakes to maintain the insurance policies necessary to cover any loss, theft, or damage to property in its custody or control, including exhibited items and, more generally, all movable property, equipment, materials, or other items brought to or used at the Event venue. Such policies shall include a waiver of any right of recourse or subrogation by the Participant and its insurers against the Organizer and its insurers. The Organizer shall not be held liable for any loss, theft, or damage of any kind to the aforementioned property, except in cases of wilful misconduct or where otherwise required by applicable law. The Participant undertakes, except in cases of wilful misconduct, to waive any right of recourse and to obtain from its insurers a corresponding waiver of recourse or subrogation against any legal entity which has, in its agreements with the Organizer or otherwise, waived its own right of recourse against the Participant and its insurers, on a reciprocal basis. As a condition for the final confirmation of its participation, the Participant shall provide the Organizer with valid certificates evidencing the required civil liability and property insurance coverage, including the above-mentioned waivers of recourse or subrogation. The Participant shall provide such certificates upon confirmation of its participation and whenever requested by the Organizer.
